Minnesota Gets ObamaCare

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

Part of ObamaCare was passed by the Minnesota legislature yesterday. Rather than saying no like other states, they said yes.

If the Governor signs it, ObamaCare’s Medicaid expansion becomes law in Minnesota. A government-established bureaucracy will sell health insurance. An ObamaCare implementation taskforce will get $200,000. And several federal health care rationing initiatives will become law.

In total, 37 Republicans voted against the bill, but 26 Republicans voted FOR it. Only nine DFLers said no, probably because it wasn’t single-payer.
