House Republicans in Action

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

The Minnesota House debated the health care bill on Tuesday. Republicans took action.

Representative Matt Dean tried to stop the ObamaCare health insurance mandate. It failed on a party line vote. Representative Jennifer Loon added an amendment, allowing out of state purchases of health insurance. Representative Mary Liz Holberg added amendments to prohibit government from collecting data on your fire arms or giving your health insurance information to the IRS.

Representative Torrey Westrom tried valiantly to defund the birth defects surveillance system, but he failed. At least 12 Republicans voted against him. These include representatives Abeler, Beard, Brod, Davids, Loon, and Zellers. Representative Demmer, seeking to unseat Tim Walz, abstained.
