ObamaCare Ruling

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens' Council on Health Care.

There is good news to report. Yesterday, U.S. District Judge Henry Hudson ruled against the Obama administration. He refused to dismiss the Virginia Attorney General's lawsuit against ObamaCare. The lawsuit will likely be heard in court in October.

Judge Hudson wrote the following in his ruling,

While this case raises a host of complex constitutional issues, all seem to distill to the single question of whether or not Congress has the power to regulate- and tax- a citizen's decision not to participate in interstate commerce. Neither the U.S. Supreme Court nor any circuit of appeals has squarely addressed this issue... The secretary's motion to dismiss will therefore be denied.
