Missouri Says NO

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens' Council on Health Care.

On Wednesday, Missouri rejected the ObamaCare requirement that everyone purchase health insurance or pay a penalty.

In a 3 to 1 vote, 71% of Missouri residents said NO to the individual mandate.

A Rasmussen poll found 58% of Missouri residents supporting a complete repeal of ObamaCare. Next up, Arizona and Oklahoma, which have anti-mandate initiatives on their ballots.

The individual mandate is the key to ObamaCare. If you can't be forced to buy health insurance, they can't enforce the law or pay for it. The higher premiums and the penalties for those who refuse to buy insurance is part of the ObamaCare budget.

So...who will file a lawsuit for Minnesota?
