Snooki Snipes Obama on Tanning Tax

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

Have you heard about Snooki, the pint-sized, deeply tanned star of MTV’s “Jersey Shore.” She publicly said, “I don’t go tanning anymore because Obama put a 10 percent tax on tanning...And I feel like he did that intentionally for us.”

*The Wall Street Journal* mentioned this incident in an *editorial* (Aug 7) on the emerging land mines buried deep in ObamaCare. The writer opined, “If you’ve lost Snooki, you’ve lost middle America.”

The 10% excise tanning tax began July 1st. The IRS estimates that it takes **36 hours** to complete the required Form 720 and it must be done quarterly. Tanning facilities are looking for loopholes, but many may have to shut their doors. How’s that for keeping jobs?
