Feet to the Fire

Welcome to the Health Freedom Minute. This is Twila Brase president of Citizens’ Council on Health Care.

The Republican takeover of the US House of Representatives and the Minnesota House and Senate is a huge victory for the Conservative ideals of smaller government. Now we must hold their feet to the fire.

Republicans in office must be willing to take the media heat, resist bills brought by government bureaucrats and bare up under liberal ire to bring Minnesota and America closer to Constitutional alignment. Freedom-minded Americans must make sure that new and returning legislators and members of Congress follow Constitutional principles.

Our duty as Americans does not stop at the ballot box. Enjoy the victory and prepare for feet-holding.

See you tonight at 7:30 at our Evening with Mark Steyn to Support Health Freedom. Register now or come to the Hilton Minneapolis and register at the door.
