## **Don't Believe the Deceivers**

We are living in the age of deception. If we didn't know it before Covid, we know it now. A recent commentary claimed, "Democrats are making health care more affordable." Truly laughable. While Republicans are not exempt from blame, Democrats have taken us step by step toward unaffordable, inaccessible, impersonal medical care. Their goal is to impose a socialized system when it collapses.

Democrats gave us Medicare, the HMO Act, HIPAA, Obamacare and the electronic health record mandate — all of which put doctors under outside controls. Unfortunately, too many elected Republicans have refused to stop it. That's why health care is unaffordable. Don't believe the deceivers. Stand for truth.
