## 19 Days to Support Informed Consent for Vaccines

HHS Secretary RFK Jr. is asking if informed consent and religious freedom belong in federal vaccine policy. Tell him yes. Millions of you must speak up. This has never happened before. Write just one or two sentences supporting informed consent and religious freedom in federal vaccine policy. You have 19 days to speak up.

**The deadline is Sunday, September 20.** This notice may be your only notice. I doubt that major media will tell you. Find the public comment link on our website: [cchfreedom.org](https://cchfreedom.org). Write a short comment supporting informed consent and freedom. Then click submit.
